The T. George and Violet “Sunday” Paris Foundation Board of Directors is soliciting you or your company’s assistance in the First Inaugural Gala on July 13, 2018 at the Sheraton Waikiki.

This foundation was established on behalf of Mr. T. George Paris and the late Violet “Sunday Paris to continue their legacy of helping the less fortunate in our State. T. George and Sunday have spent their lives giving back to their community including a Thanksgiving outreach to feed the homeless on the Leeward Coast for the past 33 years, and it has become a part of their extended family tradition. Each year, dozens of volunteers show up to give their time on Thanksgiving Day to prepare lunch for hundreds of Waianae residents.

Mr. T. George and Sunday have also assisted many families and organizations on the Leeward Coast and beyond including the Hammond Family, whose son Taylor lost his five year battle with Leukemia just two weeks after Sunday had passed. It was Taylor’s dream to come to Hawaii with his family, in which all six children were adopted. The Hammond family’s story touched the hearts of T. George and Sunday when visiting a Las Vegas Hospital and they made the trip possible for the family.

It is in this caring and loving spirit that the foundation was created to continue this legacy of helping our fellow human beings. With your assistance, we can make this happen.
